Take a practice exam session

Take and electronically submit a practice exam every time you download a fresh copy of Exam4. Practice exams help ensure that you won't run into issues on the day of your exam! NOTE: Practice exams are for familiarizing yourself with Exam4, not for practicing answers. You will not be able to open a completed exam.

The video below shows how to take and submit a practice exam. *Individual video segments available on this page: [Click here](#).*

5) Install the software on your computer. For Macs, choose the option to Replace (if the existing version exists).
