WELCOME TO RESIDENCE LIFE!

We are glad you are here and are happy to spend some time with you during Towering Traditions orientation. This handbook is designed to answer many of the questions you may have. It is filled with pertinent information for your student concerning their residence life experience at Belmont.

RESIDENCE LIFE VISION & MISSION

Vision

The Department of Residence Life at Belmont University is committed to fostering a Christian community that encourages students and staff to focus on personal and spiritual growth, as well as individual, communal and civil responsibility within an educational and purposeful living environment.

Mission

Community Responsibility

- We promote respect for all people and property, as well as the rights and responsibilities of all individuals within the community.
- We serve as resources committed to honest and effective communication with students, parents, alumni, colleagues and members of the greater community surrounding Belmont.

Challenge/Support

- We seek to provide a vibrant community rich with opportunities for both personal and professional growth, emphasizing compassion, accountability and the development of the individual.

Commitment to Quality

- We value qualitative interactions, a timely response and a positive professional attitude in both individual and collaborative work.
- We seek to advance our work as representatives of the values and mission of Belmont University and the Student Life Division through authentic and consistent relationships.

Personal Development

- We seek to empower students to make successful personal and professional transitions.
- We foster a community that promotes an excitement for learning while encouraging respect for oneself and others
- We strive to create an environment that will culminate in self-discovery and a strong sense of personal and community identity.

Service-Motivated

- We seek to serve students and our peers through respect, compassion and understanding guided by Belmont University's values, standards and expectations.

Spiritual Education and Integration

- We are committed to the development of a vibrant and dynamic Christian community upholding our dedication to the Christian values basic to personal growth and spiritual fulfillment.
- We commit to foster an environment open to the free exchange of spiritual ideas in the context of Christian education.

RESIDENCE LIFE CONTACT INFORMATION

HOUSING REQUIREMENTS

Belmont University requires all full-time, undergraduate students with fewer than 60 credit hours to live in campus housing. *Transfer students are automatically exempt from our housing requirement.*

This rule applies unless the student is:

- 21 years of age or over by the beginning of the Fall Semester of that academic year
- married and/or has children residing with him/her
- living with parents, legal guardians, grandparents or siblings over the age of 25 while attending Belmont
- or has more than 60 credit hours by the start of the Fall Semester.

No mid-year exemptions will be granted for age or credit hours. Your housing assignment is for the entire year—see Housing Occupancy Agreement for exceptions.

All exemption requests must be approved through the Residence Life Office.

Belmont reserves the right to modify the enforcement of the housing requirement based on the university's educational and/or administrative needs and purposes.

YOUR HOUSING ASSIGNMENT

How Assignments Are Made

- Assignments are determined based on the date of receipt of the online housing application and space availability. Special attention is given to preferences and requests; however, no assignment based solely on the resident's request is guaranteed.
- Roommate requests must be mutual and received by May 1.
- No additional application fee or deposit is required outside of the university's enrollment deposit.

Getting Your Assignment

You can see your assignment and roommate information by logging on to your myBelmont account (my.belmont.edu) and clicking on the Housing icon from the launch pad menu. You will receive additional mailings and electronic communication from us before you arrive—including instructions about move-in day, dining information and offers from some of our campus partners about products like linens and personal property insurance.

RESIDENCE LIFE SUSTAINABILITY INITIATIVE

Residence Life promotes the use of energy-efficient products and sustainable practices to help keep utility costs down—thus keeping living costs down—while protecting the environment. Below are the steps we are asking our students to take in order to contribute to our conservation efforts.

- **Refrigerators purchased are required to be Energy Star rated, and they must be less than 4 cubic feet and 1.8 amps.** Products that bear the Energy Star meet strict energy efficiency guidelines set by the EPA and US Department of Energy.
- **Residence Life uses CFL or LED light bulbs and required students to use these bulbs in appliances that accept them.** Energy efficient light bulbs use 75 percent less energy and last about 10 times longer than incandescent bulbs.
- **Residence Life also requires students to purchase Smart Strip Surge Protectors. Devices such as cell phone chargers constantly draw energy when plugged in.** These surge protectors are different than regular surge protectors because they automatically shut off power to devices that are not in use. Smart Strip Surge Protectors are available online, at numerous retail stores and through the Residence Life Marketplace.
- **Residence Life encourages families to limit the amount of cardboard waste produced on move-in day by unpacking as many prepackaged items as possible before coming to campus and by bringing belongings in plastic storage containers.**
- **In addition, Residence Life does not allow two-prong extension cords, because they are a fire safety hazard. Three-prong extension cords are acceptable.**

BELMONT MARKETPLACE AND DORMCO PARTNERSHIP

It is our goal to provide quality products and recommendations to our incoming students in order to make the transition to campus living more efficient, effective and hassle-free! To better achieve this goal, Residence Life has partnered with DormCo as an outlet for all of your room necessities. Any DormCo items purchased by the deadline through our unique link (dormco.

com/belmont) OR items purchased through the Belmont Marketplace website (such as guardrails) will be delivered to your room and waiting for you when you arrive on move-in day!

Please visit belmontmarketplace.com or email marketplace@belmont.edu for more information.

BRUIN CARE KITS

Looking for a way to send support to your student on campus? Bruin Care Kits are fun-filled gift boxes that are delivered directly to your student's residence hall each month. These carefully curated care packages are filled with items your college student will love. Each box adheres to a different monthly theme and contains unique items you might not find in stores. These delightful boxes will include things like sweet treats, salty snacks, fidget toys, a school supplies item and quirky products to break up the monotony of studying and make your student smile. BCKs are a great way to show just how much you care about your student, even from a distance! Parents can also include a personalized encouragement note to their student with the monthly option of a customized Parent Postcard.

Order Bruin Care Kits through our Online Marketplace at belmontmarketplace.com.

THE COLLEGE PARENT PODCAST

The College Parent Podcast is a podcast to equip college parents with the tools they need to have meaningful conversations with their college students. Check out our episodes about helping students transition into college. Listen on Apple Podcasts or Spotify.

CAMPUS MAIL

Belmont uses a state-of-the-art mail locker system and a mail/package tracking software, directing all campus mail to one convenient location. Mail and packages can be picked up at the Mail Center, located at the UPS Store on the corner of Acklen Ave. and 12th Ave. S. Each student is assigned a unique "Bruin Mail Code" number that will remain for their entire residency. Students must address all mail/packages with their unique mail ID# using the following format:

Student Name/Bruin Mail Code
Belmont University
1900 Belmont Blvd
Nashville, TN 37212

Most student mail/packages will be sorted into lockers upon campus arrival and you will be notified via your Belmont email. The locker area in the mail center is accessible 24/7. (Not all packages/mail will be immediately available through the locker system.) Oversize packages will need to be picked up at the service window during normal UPS Store business hours once you receive that notification. Packages/mail will be held in the lockers for 48 hours after the student receives notification and after that will be available at the pickup window. Unclaimed mail/packages after 14 days will be returned to sender. **Due to limited storage in the Mail Center, please refrain from sending mail and packages to campus more than two weeks before move-in day.**

If you need summer storage, please visit belmont.edu/reslife for information on our approved storage partners. If you have any questions about campus mail, please contact the Belmont UPS Store at 615.460.6638.

ON-CAMPUS DINING

All students living on campus are required to have a meal plan. Meal plans can be altered within the requirements until the last day to drop/add in the Fall Semester, and after drop/add are unalterable for the rest of the academic year. **Please choose carefully, as you will have to keep the same plan for the entire year; however, you will be able to add additional Bruin Bucks at any point in the semester.**

Special Dietary Needs

Students with special dietary needs are expected to communicate their dietary restrictions and requirements to the Dining Team. Harrington Place Dining is equipped to accommodate a broad range of dietary needs. For more information, please visit Belmont.sodexomyway.com.

Meal Plan Options for All Students

All Access: Unlimited Meals, \$150 Dining Dollars

Anytime Plan 15: 15 Meals/week, \$325 Dining Dollars (minimum requirement for freshmen)

Meal Plan Options for Upperclassman Students Only (Sophomores, Juniors and Seniors)

Block 125 Plan: 125 meals/semester, \$475 Dining Dollars (minimum requirement for all upperclassmen)

Block 75 Plan (Commuters Only): 75 meals/semester, \$100 Dining Dollars

Block 25 Plan (Commuters Only): 25 meals/semester, \$50 Dining Dollars

Students may use their Dining Dollars with their Belmont University student ID card. Additional points, called Bruin Bucks, can be billed to your student account up until the last day of October for fall and March for spring. After that, they must be purchased through Belmont Central. Bruin Bucks are purchased separately from a meal plan and carry over from semester to semester.

Your meal swipes are designed to be used in the dining hall, but meal equivalency can be applied at some retail dining locations. Meal equivalency provides flexibility by allowing you to use one meal swipe per day as a dollar amount to pay for your meal at designated retail locations on campus.

You will have \$8.00 to spend for each meal equivalency swipe. For purchases over \$8.00, you will be asked to pay the remaining amount with another form of payment (such as Dining Dollars, Bruin Bucks, cash, or credit card). There is no cash redemption for any unused portion of the \$8.00 credit in a single transaction.

GENERAL RESIDENCE LIFE INFORMATION

Move-In Days

Visit our website (belmont.edu/res-life/info/move-in.html) to view Fall Semester move-in day information, including hall move-in schedule, what to bring, route maps, and more. You will receive individualized move-in information in July via your Belmont email and your permanent mailing address, so please make sure this information is up-to-date in MyBelmont!

Breaks and Hall Closing

Belmont University provides housing in the residence halls during the entire academic year with the exception of winter break. Students do not have to remove their belongings, but they are required to vacate their room during this time. Apartment residents in Hillside and Belmont Commons may stay in their assigned space through winter break. For a look ahead at academic year break and closing information, please check out Belmont's Academic Calendar or the "Important Dates" section of our website (belmont.edu/reslife).

Laundry

No quarters needed; all laundry is paid for through your student fees. Laundry facilities are available in each residential complex.

Lofting and Bunking Beds

Students may only loft or bunk their beds with University supplied equipment. All residence halls have bunkable beds and lofting equipment available. The use of cinder blocks, homemade lofts or bed risers to elevate furniture is strictly prohibited.

Safety & Security

Residential complex lobbies are accessed using a card access system. All residential facilities are equipped with fire safety equipment. Campus Security and Residence Life professional staff members are on call 24/7. Students may call Campus Security's non-emergency line at 615.460.6617 for an escort across campus at any time. In the event of an emergency, call Campus Security's emergency line at 615.460.6911.

HERON HALL

Heron Hall is one of Belmont's historical residence halls. It opened in 1916 and houses 95 female freshmen. It was named in honor of Susan Heron who, along with Ida Hood, established the Belmont College for Young Women. There are 48 rooms with double or triple occupancy. Each room is equipped with internet and cable hook-ups. Hall entrances and each floor are card access only.

Staff

Heron Hall residents are supported by three Resident Assistants (RAs). There is one RA per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community-building efforts. The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director (RD). The RD is trained in crisis management, acts as a resource to the residents of the complex and oversees the administrative aspects of the building such as maintenance and student conduct. The RD maintains regular hours in the office located off the main lobby. The RD also lives in an apartment located on the first floor of the building.
